

RECEIVERS APPOINTED FOR DRY DOCK COMPANY

Baltimore Concern Will Be Operated
Under Direction of Court to Com-
plete Certain Contracts.

BALTIMORE, Sept. 16.—Walter Ancker and Archibald H. Taylor have been appointed receivers for the Dry Dock Company, The receivers, who bonded for \$50,000 with the American Bonding Company as surety, will carry on the business of the company to such extent as may be necessary to preserve its property and rights, and particularly to complete certain contracts in building operations now nearly finished.

Promissory notes of the company amounting to \$2,000,000 have become due, and have been protected for non-payment. There is no cash in the treasury of the company to pay its notes and the weekly pay rolls in order to realize upon the contracts now in course of construction. The appointment of receivers was declared to be necessary to preserve the assets and to enable the payment of all creditors in full.

The property is subject to a mortgage Maryland, dated February 1, 1932, to secure the payment of \$2,000,000 first mortgage, 5 percent gold bonds and \$500,000 cumulative income bonds, 6 percent gold bonds. The interest on the first mortgage bonds has been regularly paid and is not in default.

The total other indebtedness of the company, not secured by the mortgage, is \$1,000,000. It is placed at \$750,000. About \$2,000 of this is in accounts, including indebtedness for wages and certain promissory notes, and all are overdue and unpaid.
